

#224

PREFERRED

HIGH GLOSS FLOOR FINISH

This high solid, one coat or multiple coat floor finish represents the latest in floor finish technology. It offers new horizons in gloss, film clarity and appearance. It will outperform other finishes with equal or even higher solid contents. It is acrylized to resist removal by daily or weekly moppings. The color-free film is very resistant to scuffing, heel marking, discoloration, soiling and the wear and tear of heavy foot traffic. Use of this product helps to reduce your maintenance costs due to lower material usage and less maintenance hours.

Use this product with confidence on vinyl asbestos, vinyl composition, vinyl, asphalt, linoleum, rubber, sealed cork, sealed wood, concrete, marble and terrazzo flooring. It will respond to low speed, high speed and ultra high speed burnishers, producing a magnificent, slip resistant gloss!

SPECIFICATIONS

Appearance	Milky white emulsion
Odor.....	Mild, non-offensive
Solids.....	24 - 25%
Leveling	Excellent
Recoating.....	Excellent
Gloss.....	Superior
Water resistance.....	Excellent
Coverage	2000 - 2500 / sq.ft.
Slip resistance.....	Excellent as classified by ASTM D2047-64
Shelf life	12 month minimum in closed container
