

CAUSTIC DRAIN OPENER

This product is a fast acting, non-fuming, concentrated drain pipe opener for industrial and institutional maintenance. It may be used for shock dosage when drains are clogged as well as preventative maintenance and slow running drains.

This concentrate actually liquifies grease, soap scum, cellulose, hair and other organic matter. It does not contain any acids that could harm plumbing and unlike many drain openers it does not form hard soap on contact with grease. It liquifies the grease allowing it to flow easily through the drain.

DANGER: POISON - CAUSES SEVERE BURNS TO SKIN AND EYES. KEEP OUT OF REACH OF CHILDREN.

Type of Product.....	Caustic Alkali
Color/Clarity.....	Colorless, Water Clear
Odor.....	None
pH.....	13.8 ± .5
Specific Gravity.....	1.48
