

CITRUS DEGREASER

This versatile, d-limonene based cleaner-degreaser is formulated to make cleaning jobs easier while producing superior results. It effectively reduces the resistance of oil and water to mix enabling the surface to be more easily cleaned.

When diluted with water, this multi-purpose cleaner finds wide usage in a variety of industrial, commercial and institutional cleaning jobs. Use on: Floors, walls, countertops, ovens, tools, machinery and other surfaces not effected by water.

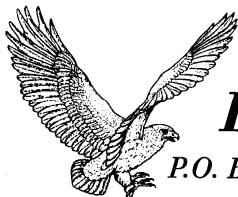

Directions: Dilutions will vary, depending on type of soil and its severity as well as the cleaning application used. This product works well in hot, warm or cold water. Can be used in pressure systems, steam cleaners, spray and dip cleaning, mop, cloth or brush applications.

Light Soils	1 – 2 oz./gal.
Medium Soils	4 – 8 oz./gal.
Heavy Soils	8 – 12 oz./gal.
Extreme Soils	16 – 24 oz./gal.

When possible allow time for cleaner to work before rinsing. Water temperature, soaking time or agitation will increase the performance of this product.

Specifications
