

Deluxe Concentrate

General Purpose Cleaner

This is the "GOOF PROOF" cleaner. So mild that it can't hurt any floor, yet concentrated that just four ounces per gallon will clean heavily soiled traffic ways. This free-rinsing cleaner contains no flammable solvents or harsh alkalies. The thick concentrated is a brightly colored red and features a refreshing odor.

This concentrated cleaner's excellent cleaning qualities lend themselves to spot-shot touch-ups, or to work surfaces, floors, counters, tables - truly useful in any institution, business or industry.

When used, you will never have bleached-out floor tiles as might happen with strong cleaners carelessly mixed. It is safe whether used by inexperienced or veteran maintenance help.
