

LIQUID UTILITY CLEANER

MULTI-PURPOSE CLEANER—DEGREASER

This highly concentrated degreasing cleaner is formulated to remove grease, fats protein and other grimy soils commonly found in meat rooms and other food preparation and processing areas. This moderately alkaline cleaner works rapidly to penetrate and lift soil, holding it in suspension for complete removal. It rinses freely and easily leaving no residuals to contaminate the surface.

Liquid Utility Cleaner is effective on all hard surfaces including floors, walls, cutting boards, tables, equipment and tools. It is ideal for use in restaurants, commercial kitchens, supermarkets, food processing plants, and other places greasy soils are a problem. This product is concentrated and should be diluted prior to use. Dilution will vary with severity of soil and cleaning method being used. The dilutions below can be used as a guide.

Light Soils	1/4 to 1 oz. per gallon
Medium Soils	2 to 6 oz. per gallon
Heavy Soils	8 to 10 oz. per gallon
Extreme Soils	12 to 16 oz. per gallon
C.I.P. Systems	1/4 to 1 1/2 oz. per gallon

NOTE: When used on food contact surface, always follow cleaning with a thorough clean water rinse.

SPECIFICATIONS

Color	Natural
pH	11.5 ± 0.5
Odor	Mild / Non-Offensive
Clarity	Clear
Viscosity	200—500 cst @ 20°C
Flammability	Non-Flammable
