

On guard

Anti-Microbial Hand Soap
Contains Triclosan

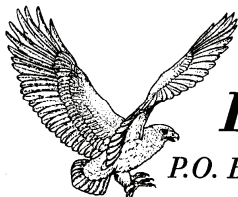

Finally a hand cleaner that incorporates all that you want:

- Excellent cleaning
- Rich lather
- Mildness
- Proven germ killer
- Skin softening agents

On Guard is formulated using a new, patented surfactant technology that provides thorough but gentle cleaning agents along with moisturizers, luxurious lather and immediate germ killing power. This pleasantly scented, viscous hand soap achieves total performance under all water conditions – hot, cold, hard or soft water. To use simply apply to wet skin, lather well and rinse. It rinses quickly and completely, leaving clean, soft hands.
