

# Terra – Care

## Sealer-Finish for Hard Flooring

Terra-Care is a high solid floor finish developed specifically for those hard surfaces where bonding and leveling problems can often occur. This uniquely formulated product exhibits excellent finish strength as well as superior adhesion properties that eliminate many of the problems associated with hard flooring.

Terra-Care truly cares for your floor – protecting it against spills and traffic while providing outstanding gloss retention and extended durability. It is an ideal choice for high traffic areas such as lobbies, supermarkets and retail centers.

Terra-Care is easily maintained in conventional and UHS maintenance programs. It is non-yellowing and offers rapid gloss build from the very first coat. It is also formulated utilizing the latest in “green” technology – providing you with an environmentally friendly finish.
