

THRIFTY CLEANER

General Purpose Concentrate

This product is designed for use as a general purpose cleaner. It is mild yet effective in cleaning any surface not normally affected by water. It is completely safe and biodegradable. It does not contain any harsh alkali or flammable solvents and will not damage walls, floors, or other surfaces even when used by inexperienced personnel. Effective for cleaning walls, floors, counters, painted surfaces, auto washing or wherever a mild, effective cleaner is needed. Use it with confidence on highly polished floors as it will not attack the finish or leave any dulling film. It is a moderately sudsing product that rinses freely and easily. This product is a people safe product that is very effective on a wide variety of soils.

This product is a concentrated liquid and should be diluted with water for use. The actual dilution will vary with the cleaning job and the severity of the soil. Follow the dilutions below for reference.

General Cleaning	1 - 2 ounces per gal.
Scrubbing	2 - 3 ounces per gal.
Heavy Cleaning	3 - 4 ounces per gal.

This product can be used as a mopping solution, with a trigger sprayer or in an automatic scrubber.
